

Dear Authors,

Hope you have completed your preparation to join the UCICS-2025. During our editorial check, we identified some minor errors in the paper and some of the paper's similarity index is higher than our acceptance rate (30%). Please urgently revise the final camera-ready version to match our acceptable similarity index. **If your paper is not in the excel and formatted according to the mentioned list also, you do not need to worry at all.**
